

*The important thing
is to sow*

The important thing is to sow,
a little, a lot, a lot, all the time,
the seeds of hope....

Sow a smile:
may it shine around you.

Sow your courage:
to support each other's.

Sow your enthusiasm,
your faith, your love,
in the smallest things,
nothings.

Have faith,
each seed will enrich a small piece of
land.
